Community Club **Robin Gilders**

No traffic, No golf carts buzzing at 7:00 AM, No house hopping for those afternoon cocktails, and all our friends are M. I. A. It's quite a change from the season, but summer fly's by so quickly; as all of you can attest to.

Your flowers are all in bloom now and beautiful. Your houses are safe and sound and we have had very little rain so far. The weather was hot for a minute but it's very comfortable now. Great sleeping at night!

Stas' has everyone active with pool parties and dinners so everyone has many choices for the summer.

My quote for the year, "If you do nothing to help don't criticize those who do." My wish is to curb the gossip, if you can't confront the person, please email them and get the truth. Loose lips not only sink ships, it destroys friendships.

Today's "Get Well Soon" wish goes to - Caroline Wentworth, she broke her foot, and Ed is waiting on her hand and foot!

If you know someone who is ill, please contact Sue Mulligan so she can bring some "sunshine" to their lives.

If you are cleaning house of eliminating any used furniture, household items, anything used to maintain your home, please consider donating them to the Association for the home on lot # 1. The Association has acquired the home and is getting it ready to rent or sell (if sold it will have to be moved from lot # 1 to another lot within the park). Stas Isaacks (lot # 244) and Chuck Moore (lot # 413) is the co-chairman for the project. You may also contact Sue Mulligan (lot # 443) or Robin Gilders (lot #249).

Everyone is gearing up for vacations, Bob went on a Mini Vacation to Michigan, claims he had a good time and the weather was great! He and the Board work extremity very hard for us, in and out of season.

Enjoy your summer away from Sun-N-Fun with your families and friends. See you in the fall.

Maintenance News

The maintenance group is working hard on removing the old broken up sidewalks, on first, second and third streets. Replacing them with sod before the rainy season starts insuring nice plush green grass for next season.

In addition to the sidewalks we are working on the plants installed for the Development Order, pulling weeds, repairing irrigation lines and just overall housekeeping.
